KONOIN CONSTITUENCY

KONON Constituency

Participants and NG-CDF committee at Chebangang primary school

MIN 03/09/01/18: PROPOSED PROJECTS

The project committee, Chebangang location presented the following projects

1. St. Monica Secondary School

- Paul Kenduiwo, B.O.M chairman presented the following as needs of the school;

- Equipping of home science section unit
- Treatment of the school sewage system with a cost of Kshs 2m
- Modern kitchen /dining hall to completion (estimate of Kshs 3m)
- Stand by generator at a cost of Kshs 1.5m
- Modern storeyed dormitory at a cost of Kshs 4.2m
- Students bathrooms at a cost of Kshs 1.5m
- Modern Toilets at a cost of Kshs 1.5m

2. Chebangang Day Secondary School

-The school was started in 2015 and so far the school's capacity has since doubled.

- Completion of four classrooms
- Ongoing twin science laboratory. It was allocated Kshs 2.5m and they still require Kshs 1.5m
- Completion of Boys and girls toilets. Estimate completion cost Kshs 300,000
- Construction of staff toilets at an estimated cost of Kshs 300,000
- Complete electrification of the school Kshs 250,000. Only the laboratory has been electrified.
- Purchase of photocopier, Laptop\ and printer
- Construction of administration block and library as one block estimated cost Kshs 3m
- Playground. Chebangang primary and neighbouring primary schools share one playground so they require leveling of the school grounds so that it can assist the multiple users.

3. Kapkeronjo Primary School

- Completion of class 6 which requires Kshs 400,000
- Construction of administration block kshs 700,000
- Construction of one new classroom Kshs 1m
- Leveling of school field – Kshs 1m
- Wiring of classrooms

4. Chebangang Primary School

Joel Maritim, the headteacher presented the following generally proposed projects

- Electrification of school classrooms
- Rust iron sheets-they require painting

KONON CONSTITUENCY

- Equality of funding e.g classroom funds
- Incomplete windows. They have no window panes in classrooms
- Boys modern toilets worth Kshs 700,000
- Library worth kshs 500,000
- Construction of books store
- One new classroom estimated cost kshs 500,000
- Leveling of the field
- Purchase school games kit at a cost of Kshs 1,000,000

5. Bemiat Primary School

- Construction of one new classroom at a cost kshs 500,000
- Construction of staff toilet at kshs 200,000
- Purchase of land at a cost kshs 500,000

6. Nyoikeno Primary School

Madam Irine Chepkwony presented the following school needs;

- Construction of Girls toilet
- Construction of administration block at a cost kshs 1,200,000
- Completion of books store at a cost of kshs 250,000

7. Kapsengere Primary School

The presentation was done by Mutai Jackson as follows;

- Construction of staff toilets and boys toilets
- Construction of administration of an estimate cost of Kshs 1,000,000
- Construction of School library

8. Beek Ab Arwet

The headteacher David Cheruiyot presented the following -

- Construction of 8 toilets (4 for boys and 4 for Girls)
- Construction of one new classroom
- Construction of administration block
- Expansion of land by (¼ acre) in order for the school to be registered under the Ministry of Education guidelines.

9. Chepkok Primary School

The presentation was done by the headteacher Mr Towett.

- Expansion of school land. The ongoing tarmac road construction will consume half of the school land therefore they require Kshs 1.5m for purchase of land of expansion of school
- Construction of Modern toilets- Urgent request at a cost of Kshs 600,000
- Construction of one new classroom worth kshs 500,000

KONOIIN CONSTITUENCY

- Construction of administration block

SECURITY

- Completion of Chebangang chief's office it was allocated kshs 500,000. It still needs kshs 700,000 in order to complete and equip it with furniture.
- Kshs 1m is also required in order to put up an AP line.

ELECTRICITY

- Saptet electricity posts (two) poor electrification to household

COMMUNITY PROJECTS

- There is an ICT centre around the polytechnic and their suggestion is the installation of 20 computers in order to eliminate gambling in the community.
- Youth empowerment in order to train boda boda riders.
- Youth mentorship programs.
- Establishment of a museum at Kabilaat/Kabitbiten
- Establishment of a cultural sit at Kabilaat/Kabitbiten

SPORTS

- Establishment of Sports club at Chebangang location
- Financing of sport kits to athletes and volley-ballers
- Sponsoring tournaments

ROADS

- Most of the roadare impassable. Patching of the ongoing tarmac road is necessary to make it passable
- Nyoikeno -Tuiyobek road (collapsed footbridge) -emergency
- Corner-barrier-Chebangang Road
- Lack of culverts that causes damage to the Kolongkeny-Chepchabas road
- Tuiyobek -Chebangang Road (Nyayo Tea Zone Connector)
- Kiptiget- Chebangang footbridge
- Nyoikeno-Chebutusto Road
- Extension of tarmac road to Kapset Tea Factory (at least 2km) Simion Korir.
- Chebangang-kimulot rough road (to negotiate with James Finlay to allow connection of road through their farm). Proposed by Jonathan Mutai.

KAPSENGERE SUB-LOCATION

SECURITY

KONOIIN CONSTITUENCY

Kapsengere sub-location chief's office -Purchase of land and establishment of the office an estimated cost of Kshs 1m

ENVIRONMENT ACTIVITIES

- Preservation of the environment in order to prevent disposal of waste into water catchment areas , Every pit latrine should use digesters that kill the odor.
- Buying of indigenous trees to be planted on water points
- Tanganyika water spring (harnessing of water). It is normally used by St. Monica students on dry seasons.

EMERGING ISSUES

-Adult education.Establishment of an adult education centre

-A representative from women, aired out an opinion concerning equality of bursary funds. She also requested for women empowerment through funding of women projects.

MIN 04/09/01/18: ADJOURNMENT

The meeting ended at 2:00p.m and it was closed with a word of prayer from Rev. Korir

KONOIN CONSTITUENCY

MIN 01/10/01/18:PRELIMINARIES

The meeting was called to order by the area chief and it was opened with a word of prayer from Solomon Kitur.

MIN 02/01/10/18; INTRODUCTION

The NG-CDF chair Erick Kirui took the platform and welcomed everyone to the meeting. He then introduced the NG-CDF committees and the constituency office staff. He also introduced the ward administrator who was also present in the meeting. The Fund Manager, Edwin Karani was given a chance to say a word to the people of Kimulot ward. He said that according to the NG-CDF Act, public participation should be conducted in order to pick the proposed projects from the constituents and that is the reason as to why we are in Kimulot ward. He assured the people of Kimulot that he is ready to work with them.

One of the community leaders presenting their proposals

MIN 03/01/10/18: PROPOSED PROJECTS

Kapset Sub-Location

Education

KONON Constituency

Roads
Electricity
Bridges
Water projects
Health centres
Youth and women empowerment

EDUCATION

1. Mosoriot Primary School

- Purchase of land (extension of school land)

2. Sugutek Primary School

- Extension of land

3. Chepwongo Primary School

- 6 new classrooms
- Modern toilets

4. Mugenyi Primary School

- Construction of Permanent classrooms

5. Mugenyi Secondary School

- Completion of classrooms
- Twin laboratory(3 rooms)
- Administration block
- Water tank
- Electricity connection
- Chairs

6. Kapset Secondary School

- Teachers quarters
- Dining hall
- Library
- More classes
- Administration block

7. Kapset Primary School

- 4 new classrooms
- Reroofing/ replacement of old iron sheets

8. Kimulot High School

- Water pump- Urgent

KONON CONSTITUENCY

- New 4 classrooms
- Construction of dormitory
- Leveling of playground

9. Kimulot and Sangwa-newly proposed day schools

10. Kibitgoi Primary School

- 3 new classrooms
- Staff offices

CONSIDERATION: The people of Kimulot consider having a university in their ward.

ROADS

- Kiptiget-Kiptui road-Compensation of land
- Muriesi bridge
- Kapkokosit bridge
- Kiptiget bridge expansion
- Kapsinendet- Chepchabas footbridge

SECURITY

- Chiefs office including administration police (AP) line.

ELECTRICITY

Transformers to be added and idle transformers to be put in use in the following areas;

- Kimugul village
- Kiptiget-unutilised transformer
- Sangwa-No electricity
- Chepwongo-No electricity
- Mosebo-No electricity
- SDA church-No electricity
- Kimuita-No electricity
- Kiptenden village- Require transformer

COMMUNITY PROJECTS

- Talent centre
- ICT centre

EMERGING ISSUES

- Revolving funds(kitty) ie. Uwezo funds, youth enterprise fund
- Distribution of Employment
- Consideration of jobs created by the ongoing tarmac construction
- Anti-FGM centre,expensive sanitary towels(bathrooms in primary)

KONON CONSTITUENCY

- Most of the students do not proceed after form four due to lack of school fees. Considerations should be made by the CDF team to the needy students. Allocation of bursary funds should be done according to the needs of the students. Vetting process should be done keenly in order to avoid unfair disbursements.

ENVIRONMENTAL ACTIVITIES

Sugutek, Chemumekto, Kululu, Simotwet, Kibitgoi water springs should be put under conservation.

KAPSINENDET SUB-LOCATION EDUCATION

1. Kapkilaibei Secondary School

- **No electricity- Urgent**
- More classrooms
- **Have no toilets(using primary toilets)- Urgent**
- Teachers quarters(incomplete)
- Water crisis(tanks)
- Modern gate
- Twin science lab construction

2. Kapkilaibei Primary School

- Redesigning of toilets
- Purchase of land
- Leaking storey building
- Completion of classrooms

3. Chepchirik Primary School

-The school started way back in 2010

- They have got only two classrooms funded by CDF and they need one classroom
- They have got only two toilets with a population of 350 pupils.

4. Kibomut Primary School

- One classroom was constructed and divided into four to accommodate four different classes. **They require four classrooms urgently**
- Land expansion
- Modern toilets

ELECTRICITY

-No electricity in most of the areas

-Need of transformers in the following areas

KONOIIN CONSTITUENCY

- Kiptenden
- Chepchirik
- Kapkilaibei

ENVIRONMENT

-Chepsongo, Cheswerta, Chepchirge water springs require conservation

ROADS

- Kapset-Changoi road
- Chepchirik road
- Kapsinendet-Chepchabas road is impassable during the rainy season. Requires rehabilitation

SECURITY

-Construction of Kapsinendet Chief's office

CHEMALAL SUB-LOCATION

EDUCATION

1. Kapcheptuenik Primary School

- Construction of new classrooms
- Electrification
- Modern toilets
- Two tanks(3000litres)

2. Chemalal Secondary school

- Dining hall
- Library
- Teachers quarters
- Kitchen

3. Chemalal Primary School

- Library
- Modern toilets (boys)
- Teachers quarters
- Painting classrooms
- Four classrooms
- Extension of land
- Two water tanks

4. Cheloino Primary school

KONON CONSTITUENCY

- **Four new classrooms- Urgent**
- Land expansion
- Two tanks (3,000 litres)
- Modern toilets
- Teacher's quarters

5. Mugenyi secondary school

- Construction of toilets is being hindered by water shortage.
- No electricity. It just requires one post for installation of electricity.
- Inadequate chairs.
- Construction of twin science lab.

6. Mosoriot primary school

- The head teacher presenting the proposed projects was posted there in 2016. He said that they could rent a shop and a posho mill to teach the pupils there. They are now using semi-permanent classrooms. They urgently need construction of permanent classrooms to house the pupils.
- They have got a land at kshs 720,000 and registration of the land at kshs 30,000. They therefore require Kshs 750,000 for purchase of land and registration fees.

SECURITY

- Assistant Chief's office in Chemalal to be equipped with tables, seats, cupboard and water tank.

COMMUNITY PROJECT

- Community library in Chemalal
- Constituency rehabilitation centre
- Public library

SPORTS

- Yearly planned sport tournaments that will empower youths
- Sport facilities-Kapset field,Chemalal field that require leveling
- Revival of registered teams

ROADS

- Access road to Kiptui

EMERGING ISSUES

- In Kapset there is gabbage around the road, so when it rains the gabbage drains into the water source
- Widows priority on bursary funds

KONOIIN CONSTITUENCY

MIN 04/01/10/18: FINAL REMARKS

The constituency office secretary, Wilson Tonui had the chance to address the gathering. He assured the constituents that the CDF team will work to their best since they were appointed in the best way. The NG-CDF chairman thanked everyone for attending the meeting. Additionally, he briefed them that bursary disbursement will be dictated by the sub-committee they will choose in every sub-location. The sub-committee will undertake the vetting process in sub-location level. Also, he announced to them about the extension of the deadline of return of bursary forms from 10th Jan to 26th Jan 2018.

MIN 05/01/10/2018-ADJOURNMENT

The meeting ended well at 6:30pm and it was closed with a word of prayer by Isaiah.

KONOIIN CONSTITUENCY

KONOIIN NG-CDF PUBLIC PARTICIPATION FORUM MEETING HELD ON 11/01/2018 FROM 11:00AM AT SIMOTI SOCIAL HALL

Members Present

1. Edwin Karani - Fund account manager
2. Anneth Chepkorir - NG-CDF member
3. Gilbert Ronoh - ,,
4. Caroline Chebet - ,,
5. Beatrice Tanui - ,,

10. Willy Bett - ,,
11. Nicholas Too - ,,
12. Leonard Kiprotich - ,,
13. John Ngeno- District accountant

MIN 01/01/10/2018: PRELIMINARIES

The meeting was called to order by the constituency coordinator Dominic Ngetich and opened with a word of prayer by Joseph Korir. He also welcomed everyone to the meeting as the members of Simoti Location.

KONOIIN CONSTITUENCY

Members of the public being called to order at Simoti social hall

MIN 02/01/10/2018: PROPOSED PROJECTS

Dominic Ngetich welcomed the proposed projects from the members assembled

CHONGENWO SUB-LOCATION

1. Chongenwo Primary School

- Extension of land
- More permanent classrooms
- Modern toilets

2. Chongenwo Day Secondary School

- Extension of land
- More classrooms
- Laboratory(priority)
- Completion of existing toilets

3. Ruseya Primary School

- Modern toilets
- One classroom construction

KONONIN CONSTITUENCY

- Completion of one classroom

4. Kibanjalal Primary School

The headteacher, Daniel Rono proposed the following needs;

- Modern toilets
- Extension of land for playground
- Administration block.

5. Saptet Primary School

Joseph Langat, the school chairman thanked the Konoin NG-CDF for organizing the public participation forums. He presented the following;

- Addition of 3 classrooms
- Extension of land-The school land is around 0.4 acres and half an acre is available for purchase,
- Modern toilets, both for staffs and pupils

6. Ruseya Secondary School

- Extension of land-0.2 acres is available for purchase
- Construction of a laboratory
- More classrooms. They have got 4 classrooms only
- Dining hall/Kitchen
- Completion of Modern toilets
- Teachers quarters

7. Kimugul Primary School

It is a Proposed school and Land is available. The residents requested for purchase of land to start up the school.

8. Rerendet Primary School

The headteacher Mr. Joseph Cheruiyot presented the following;

The school has a population of 700 pupils

- Completion of two classrooms
- Demolish of old classroom to pave way for construction of a new classroom
- Three more classrooms
- Administration block
- Water tank

9. Kaptegendany/Ainabkoi-Proposed Primary School

- Purchase of land

10. Kurkuton Primary school- Proposed primary school

KONON CONSTITUENCY

The Assistant Chief proposed for construction of proposed school. He reiterated that they have got some funds (contribution funds) to start and land is available.

11. Lebekyet Primary school

- Purchase of land. The land available is also very small and so it requires extension of land for school expansion (priority)
- Modern toilets are required. The current situation is pathetic

12. Mashemut/Kurkuton-Proposed Primary School

Land is available around 0.7 acres but it needs to be purchased.

ELECTRICITY

- Tengecha street light

SECURITY

- Construction of Chongenwo chief's office
- Simoti Chief's office requires electricity
- Construction of Ruseya Chief's office

COMMUNITY PROJECTS

- Social hall has no toilets and it is incomplete
- Tengecha public library
- Chongenwo chief office

ROADS

- Maaset-Ruseya bridge(foothbridge)
- Kibanjalal-Kiptemenio road
- Kisabei-Chenacho road
- Chongenwo- Cheplakwet- Koroitik road
- Chebinyonyoi-saseta road
- Kiptemenio-Kibanjalal road
- Simoti-Sisiron road
- Lebekyet- Chemosoren road

Emerging Issues

- Unequal distribution of bursary funds has been a big challenge in Simoti location. They advocated for equality.
- Licensing of boda boda operators

MIN 03/02/10/2018: INTRODUCTION

KONON CONSTITUENCY

Before the presentation of Simoti sub-location ,Dominic (the constituency manager) considered it best to invite the NG-CDF chairmanfor him to introduce the CDF team. He introduced the CDF committee and informed the people that CDF bursary disbursement will be fair this year since locally elected members will be part of the vetting process.

Dominic Ngetich took over afterthe Chairman's speech and thepresentation began;

SIMOTI SUB-LOCATION

ELECTRICITY

- KETIK SOMOK-The transformer is available but distribution of electricity is a challenge.
- Transformer at Chongenwo
- The residents requested for street lights in Kaptengecha to curb insecurity in the centre at night
- Transformer at Chongenwo centre

ENVIRONMENT

- Sonoek water stream (Water harnessing)-It serves several people from the Location e.g Simoti School
- Construction of proper drainage around Chebululu water spring to prevent collection of waste from the neighboring centre into the spring
- Lebekyet water stream (Water harnessing) -It is situated around the local cattle dip.
- Kipngatat water spring should be constructed (Water harnessing)
- Keбенet water stream was wrongly constructed. The bathrooms constructed are a big threat to the neighbouring community.
- Tabaror water spring (Water harnessing)
- Chepmokikir-(Kap Peter Sang)/Sokiot water stream (Water harnessing)
- Kipkochir(Arap Sitonik) water stream (Water harnessing)
- Chiefs office borehole is not covered on the top and it is very risky to the residence since it poses as a safety hazard.
- Kojil water spring (Water harnessing)
- Kibiriat Water stream (Water harnessing)
- Oinomelet water stream (Water harnessing)

SECURITY

- Electrification of Simoti chief's office

COMMUNITY PROJECTS

- Electrification of the Simoti social hall

CHONGENWO SUB-LOCATION

KONOIIN CONSTITUENCY

ENVIRONMENT

- Chebaskari water stream-It should be fenced and bamboo planted to maintain, hygieny in the river, a bathroom should be constructed.
- Ruseya-Keбенet water stream (water harnessing)
- Kimugul village stream (water harnessing)
- 0.6 hectares in Cheplakwet that require conservation

ORPHANAGE

-Consideration of bursary funds to the students

ROADS

SIMOTI SUB-LOCATION

- Kisabei-Chenacho road
- Chongenwo,Cheplakwet-Koroitik road
- Simoti-Sisiron road
- Lebekyet-Chemosoren road
- Kisabei-Koiwa road-Has no thorough way
- Koroitik primary bridge

CHONGENWO SUB-LOCATION

- Chongenwo-Chepnonyoi-Saseta road(priority)
- Ruseya-Chongenwo bridge
- Chongenwo-Kiptemenio-Ruseya bridge
- Kiptemenio-Kibanjalal road
- Cheplakwet-Saptet primary road
- Kisabei-Koroitik road
- Ruseya-Kibanjalal bridge.(It connects 3 schools)
- Timbili bridge-It requires expansion of the road and a bridge
- Kimari bridge Kurkuton-Estate
- Arap Siele water supply
- Cattle dip-Chemosoren road. It can help for an establishment of a school

EMERGING ISSUES

- Simoti disability grouprequires a hall

MIN 05/01/10/2018 ADJOURNMENT

The meeting ended well and it was closed with a word of prayer from Philip Ronoh at 2:30pm.
